

WELCOME TO

Rose Tree Day School

PreSchool

In our youngest preschool classroom, the Cupcake Class, we utilize a teacher created curriculum that is cross-walked to Pa's Early Learning Standards. The teachers provide activities that promote independence, cooperation, creativity, curiosity, sharing, self-regulation and problem solving in young children.

[READ MORE](#)

Pre-K

In our Pre-k classes, the Little Rascals and Stars, the teachers build upon and continue to develop the knowledge and skills of our preschool class. Our pre-k program includes a balanced curriculum of literacy, science, social studies, computer, art, music, gross motor and fine motor activities to develop a child's intellectual skills and prepare them for Kindergarten.

[READ MORE](#)

Kindergarten

Our Kindergarten is licensed by the PA Department of Education. We realize that Kindergarteners are in between early childhood and elementary years and provide a wide range of experiences to support the children's interests and needs while providing a supportive and nurturing environment.
